

project AGRICULTURE

SHARE YOUR learning

project AGRICULTURE provides an environment to question, explore, create and share learning about a variety of topics and issues related to agriculture.

Check out other student projects at www.projectagriculture.ca/share. Email us at contact@projectagriculture.ca for more information.

project AGRICULTURE's privacy policy and terms of use are provided on our website at www.projectagriculture.ca.

project submission APPRECIATION awards 2020-2021

We celebrate learning about agriculture in any way! **project AGRICULTURE** will recognize each project submitted with the following awards.

Each **student team member** submitting a project that is shared on the **project AGRICULTURE** website will receive a certificate of participation and a **project AGRICULTURE** buff or similar award.

Each **teacher** who submits projects on behalf of their student teams will receive a \$25 Indigo gift card.

Each **school** with projects represented on the **project AGRICULTURE** website will receive an Alberta Ag Awareness Box, filled with a selection of great Alberta locally-grown and raised products.

Appreciation awards will be sent to schools in February and June.
